

Maven Wallet makes getting reimbursed easy

Maven Wallet helps you minimize your out-of-pocket expenses as they relate to eligible costs for family building and pregnancy travel. Full-time IPG associates enrolled in medical coverage under the IPG Health and Welfare Plan are eligible for the benefit for their household.

- Fertility preservation (egg, sperm, and embryo freezing)
- Adoption
- Travel costs to obtain pregnancy care
- Surrogacy

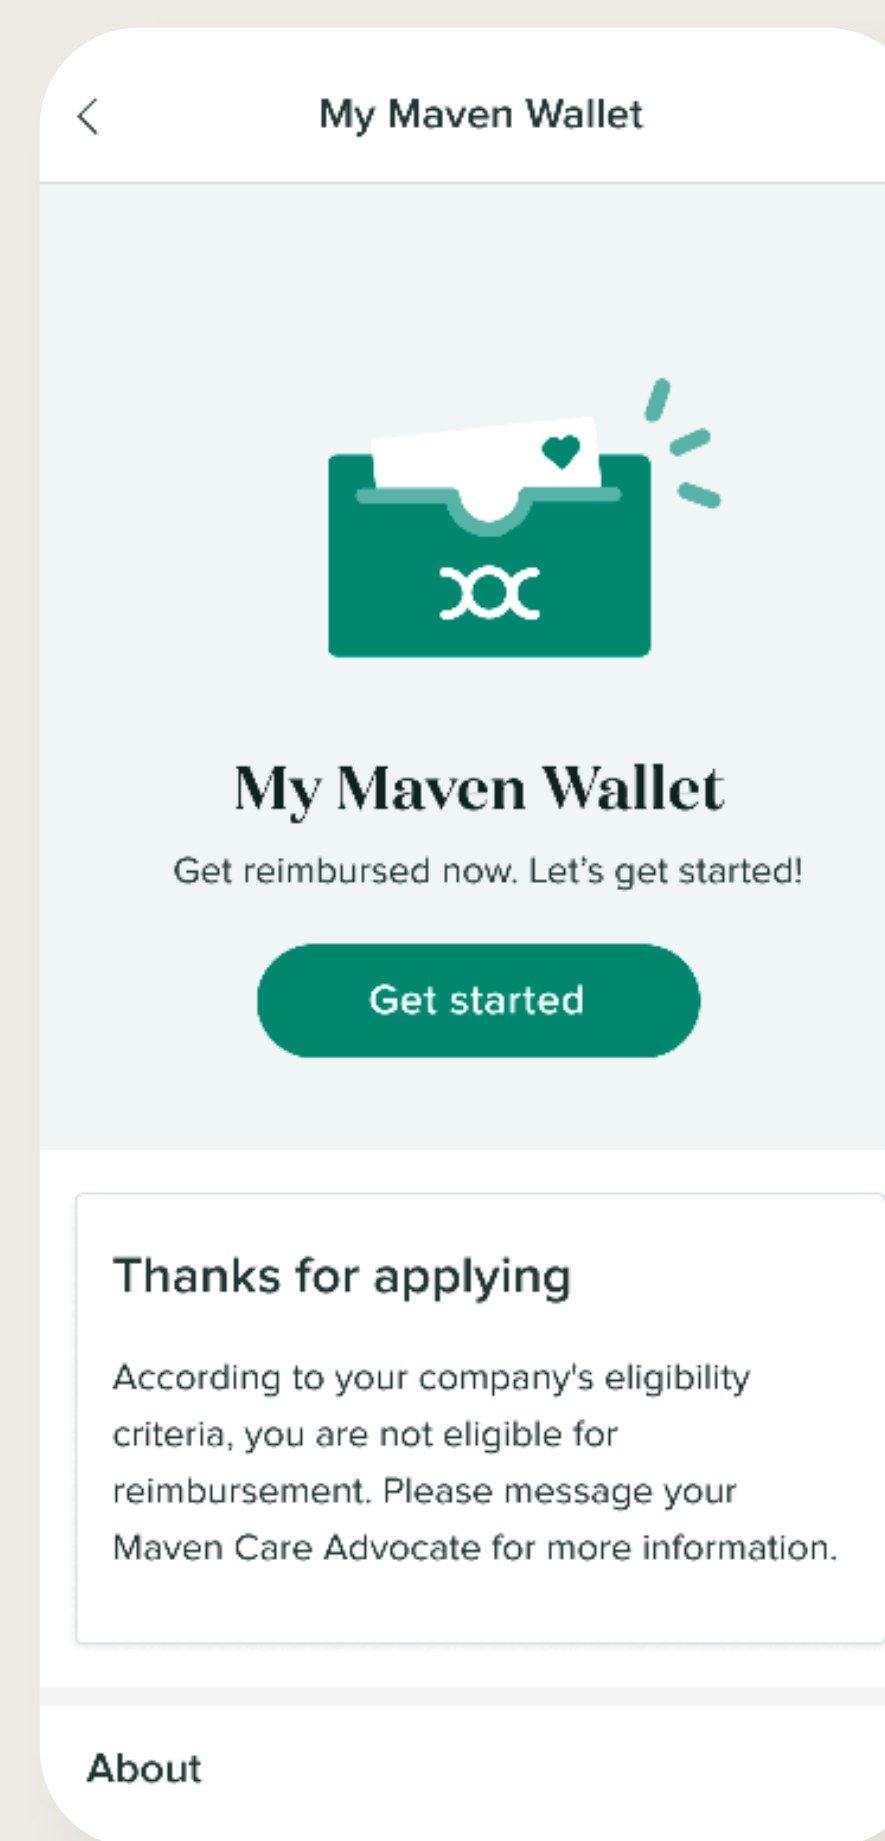

Using your Maven Wallet account is simple

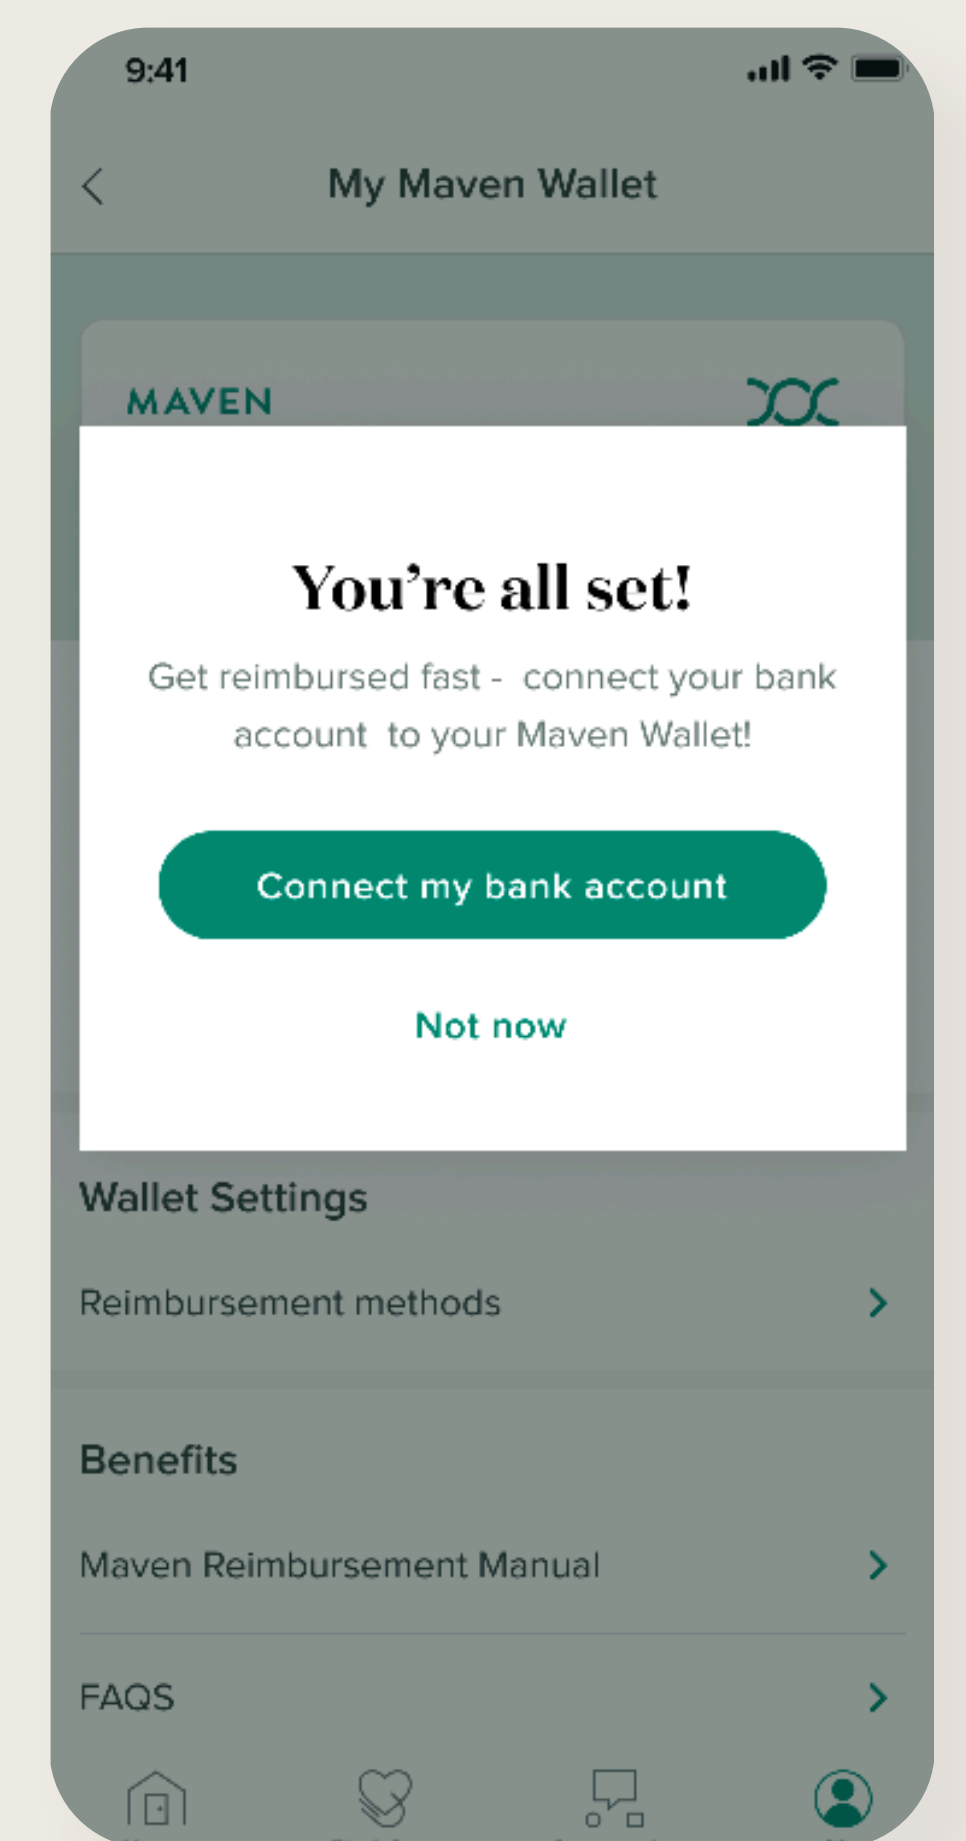

01 Accessing Maven Wallet

After activating your Maven account, access Maven Wallet by clicking the “Me” tab in the Maven Clinic app and selecting “My Maven Wallet”. Here you’ll have access to FAQs and an overview that details eligible expenses, the reimbursement process, and more.

01

02

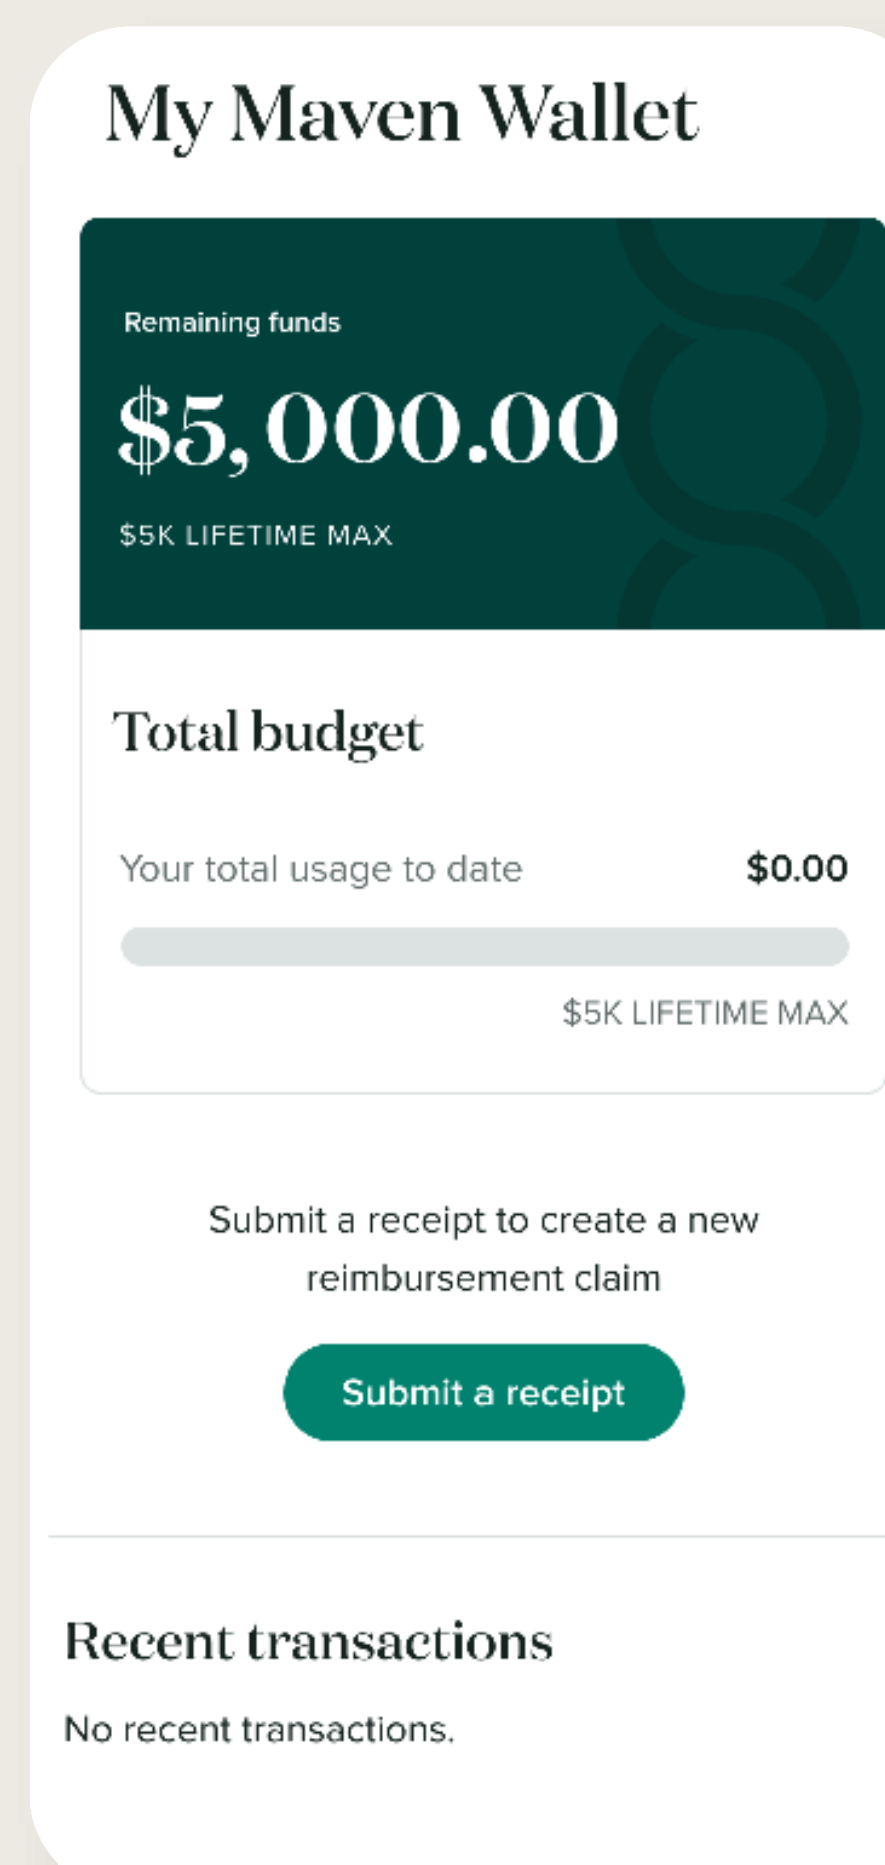

02 Wallet activation

Click on the “Apply for Maven Wallet” button to submit your application to use Wallet. It takes up to 3 business day to be approved, but once you are, you’re ready to go.

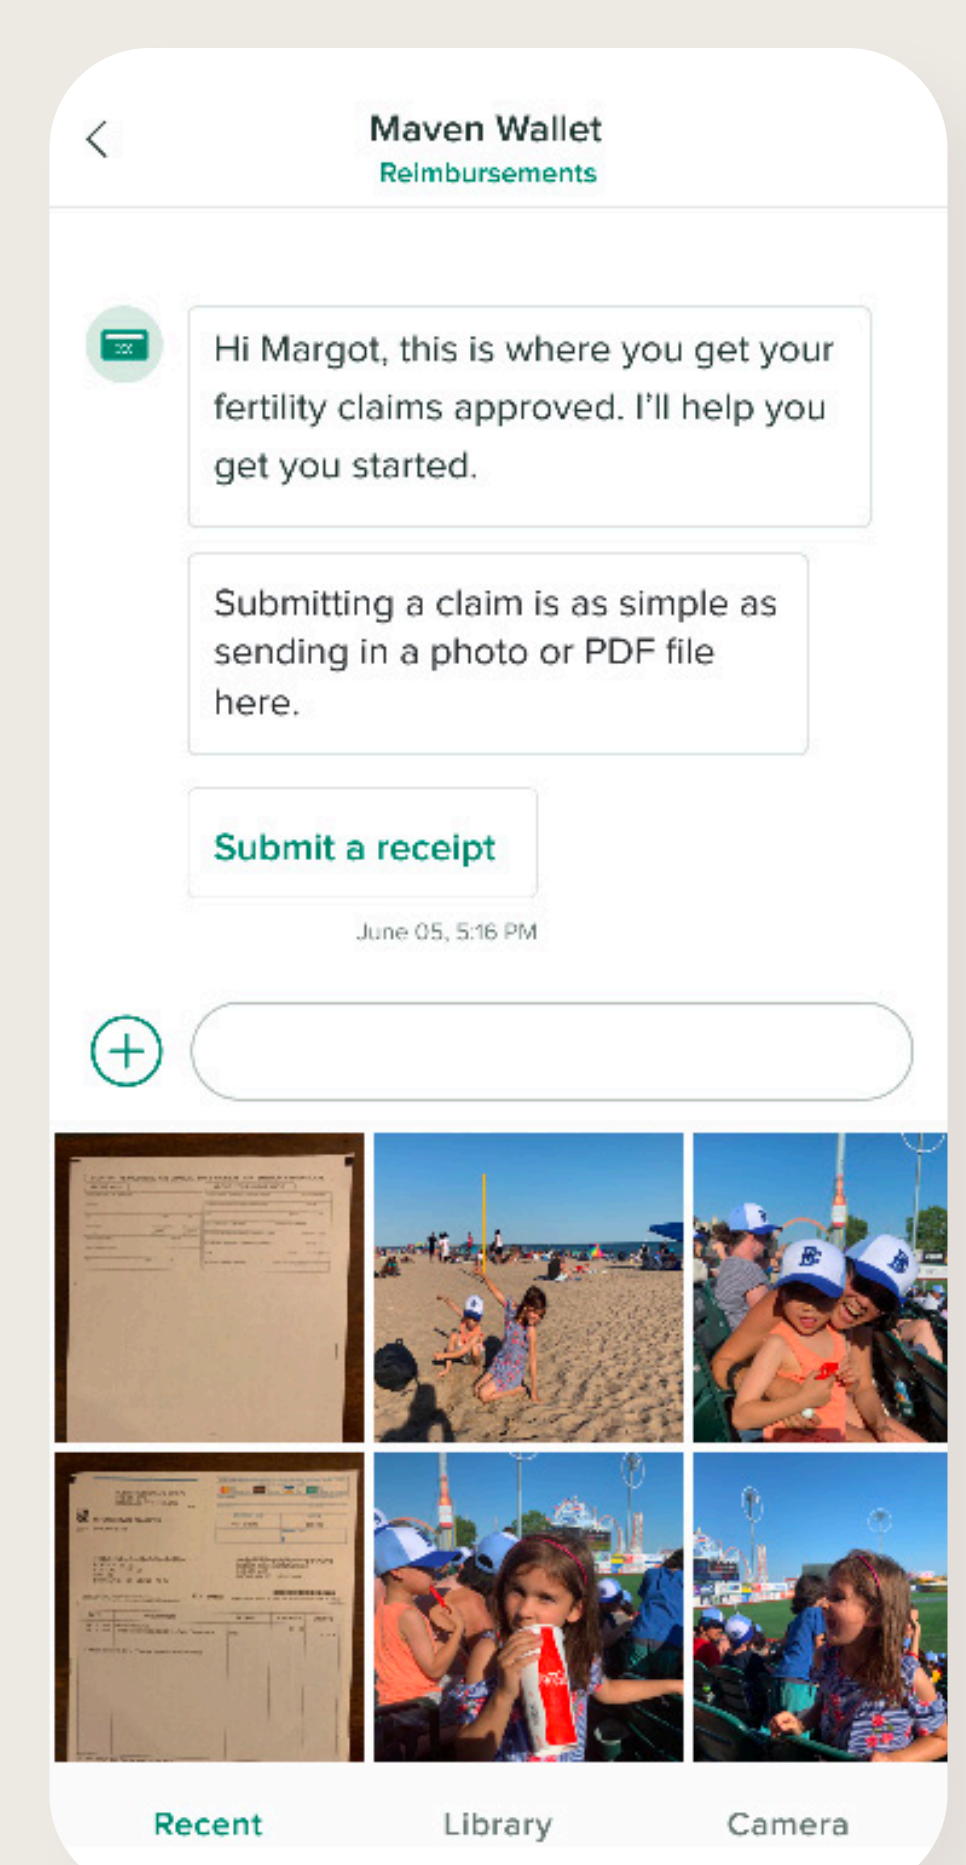

03 Wallet dashboard

Manage your expenses, check your balance, and see your claim status in real time—all in one place.

03

04

04 Reimbursement process

It’s as simple as associates submitting receipts in the app—we promise. And once you’re approved, you’re reimbursed within the week!

To get started, download the Maven Clinic app or visit mavenclinic.com/join/takecare to join for free.
